The HSC-Marathon

The Radio Telegraphy High Speed Club invites all members and non-members as well, to take part in a big annual challenge, starting 1996. This will give all amateurs a chance to meet HSC members on the bands – and, may be, even to join the fraternity of high speed telegraphy fans!

The HSC Marathon starts on January 1st at 00:00 UTC and ends on December 31th at 24:00 UTC. It is open to HSC members and non-members. All CW fans are invited to work as many HSC members on as many bands as possible. All bands are permitted but of course only 2-way CW contacts will count. A QSO with an HSC member counts one point per band. The score is the sum of all points earned.

The log must contain call, HSC number and date of QSO/band, sorted by calls or HSC numbers. Please send your log to the Marathon Manager DK9HE (dk9he@yahoo.de) before January 31th of every year. Logs sent by e-mail are regarded as arrived only after acknowledgment by the evaluator. To facilitate your Marathon submission you can upload your logbook (in ADIF format) on our website for an instant evaluation of your score (<http://www.highspeedclub.org/>).

HSC Membership lists

This list contains all active HSC members, sorted by their prefixes, at the time of print. On our website (<http://www.highspeedclub.org/>) you'll find further lists with additional information, as follows:

- Text list of all active members sorted by callsign, with name, additional callsigns and ex-callsigns
- All-time-list of **all** members (incl. SK) of HSC, VHSC, SHSC and EHSC sorted by HSC number, with name, additional and former callsigns (Text, Excel or CSV)
- Files for N1MM and Win-Test Contest loggers with all current members

All lists are generated daily from a common database. If you find any errors, don't hesitate to report them to Fabian Kurz, DJ5CW (fabian@fkurz.net).

The HSC-CW-Contest

Dates: Last Sunday in February and first Sunday in November, 15 - 18 UTC

Frequencies: 3.5, 7, 14, 21, 28 MHz; 10 to 30 kHz from the lower band edge preferred

Mode: CW only

Stations to work: All, every station may be worked once per band

Categories: 1. HSC members (max. 100 Watts RF output)

2. Non-members (max. 100 Watts RF output)

3. QRP (members and non-members, max. 5 Watts RF output)

4. SWLs (members and non-members)

Exchange: Members: RST and HSC membership number; e.g. 599 1730

Non-members: RST and NM; e.g. 599 NM

QSO points: 5 points per QSO with a member of the HSC of 1951

2 point per QSO with a non-member

Multipliers: Sum of DXCC entities worked per band

Score: Sum of QSO points × sum of multiplier points

Logs: Upload your logs on <https://sites.google.com/view/hsc-contest>.

Deadline: Two weeks after the contest. Results will be published in the monthly HSC bulletin and on the HSC website.

Award: Since 1998, the "HSC Contest champion of the Year" is awarded for winning both contests of a calendar year. Changing the category between the two contests is allowed. The winner receives a special award; every participant receives a special QSL card via the bureau.

Contest Manager: Jörg Hahn, PA1MUC, dr.joerg.hahn@gmail.com.

- by a HSC member or a "club official". For stickers send log-extract and 1 IRC, no QSLs are required.
9. In case of forging or falsification of the list or in written confirmations the applicant will be disqualified. The Award manager's decision will be final. He may ask for QSLs. If you choose to apply with original QSLs, instead of a list, please add sufficient postage for return mail. Apply to the Award Manager DL1VDL only.

How to join the HSC?

Listen on the HSC frequencies 25 kHz from the lower band edges (plus 3567 kHz) and contact as many members as possible. Use telegraphy speed of 25 wpm or higher and show your ability to read and key this speed perfectly. Use your best operating technique, if possible "bk" (QSK).

Be courteous and fair, always observe the laws of Amateur Radio and the unwritten laws of ham spirit.

The use of keyboards or decoders is not allowed. After a few contacts ask the member to send you his recommendation for HSC membership. Only two-way CW contacts with a duration of least 30 minutes will be accepted for a sponsorship QSO.

When you have recommendations from 5 different members in your possession, send them with your application form (available from the HSC website under the menu item *Joining Us*) to the HSC secretary, DK4LX. Enclose € 10,- to cover costs. There is no further payment for life membership.

The WHSC Award

The WHSC award will be issued for 2-way CW only.

Basic Award: Working 100 different HSC members, located in 10 countries, using 3 different amateur bands

Stickers: 3.5 MHz: 200 HSC members, 10 countries, all on 3.5 MHz only

7 MHz: 250 HSC members, 10 countries, all on 7 MHz only

3.5 + 7 MHz: 300 HSC members, 15 countries, all on 3.5 and 7 MHz only

All bands: 500 HSC members, 20 countries, using any amateur band, minimum 5 different bands.

General Rules:

1. All contacts starting January 1, 1979 are valid.
2. HSC members will be counted once for BASIC and once for each sticker.
3. For the countries refer to the official DXCC list.
4. For stickers 3.5 + 7 MHz and ALL BANDS, a minimum of 25 HSC members per band is required. Exception: VHF / UHF.
5. For the sticker ALL BANDS, VHF / UHF contacts count twice.
6. The club stations DAØHSC, DFØHSC, DKØHSC, and DLØHSC count twice on the short wave bands and triple on the VHF / UHF bands.
7. The fee is € 5 for the basic award and € 1 for each sticker.
8. Apply with an extract of log with the following data: Date, UTC, band, HSC number of station worked. State that the original QSLs are in your possession and data are in accordance with the QSLs. Statement and list should be certified

General Information

The Radio Telegraphy High Speed Club was founded in 1951 as a community of radio amateurs within the “Deutscher Amateur Radio Club e.V.” (DARC) interested in high speed telegraphy. Over the last 70 years, we welcomed more than 2000 members from 70 countries (DXCC list) and all six continents. The HSC is a member of the “European CW Association” (EUCW) and cooperates with other telegraphy clubs.

Our club stations DAØHSC, DFØHSC, DKØHSC and DLØHSC are QRV on all amateur bands in CW mode. While DAØHSC is only activated for special events, one of the other stations transmits the “HSC bulletin” on the first Saturday of each month at 08:00 UTC (summer) / 09:00 UTC (winter) on 7036.6 kHz. In this way you are informed about new members, activities, and other news of common interest.

There are two HSC CW Contests and the HSC Marathon every year. To promote activity, the HSC issues an award for working members, called Worked High Speed Club (WHSC), which is also available for SWLs. The rules can be found later in this booklet and on our website (<http://www.highspeedclub.org/>) along with current member lists and further information.

Contacts

President: Felix Riess, DL5XL, Süderortsweg 3, D-27628 Hagen im Bremischen

Secretary: Holger Matthiessen, DK4LX, Rosenweg 26, D-36154 Hosenfeld

Marathon: Andreas Adler, DK9HE, Lindenstraße 17, D-21435 Stelle

Contest: Joerg Hahn, PA1MUC, Crocusstraat 1, NL 2252 XH Voorschoten

Awards: Hardy Büttig, DL1VDL, Am Lindenberg 33, D-01328 Dresden
